

# EXHIBIT “A”

## **PERSONAL INJURY MASTER SETTLEMENT AGREEMENT**

This Personal Injury Master Settlement Agreement (the “MSA”), dated May 9, 2024, is between the undersigned counsel for Plaintiffs (“Plaintiffs’ Negotiating Counsel” or the “PNC”), on the one hand, and Defendants Philips RS North America LLC (“Philips RS”), Koninklijke Philips N.V., Philips North America LLC, Philips Holding USA, Inc., and Philips RS North America Holding Corporation (collectively, the “Philips Defendants”), on the other. The Philips Defendants and the PNC are each a “Party,” and, collectively, are the “Parties.”

This MSA reflects the terms of a private settlement program (as defined below, the “Program”) intended to resolve the claims or potential claims of all United States Citizens or Residents who have a Qualifying Injury and who allege that they sustained such Qualifying Injury from (i) use of one or more of the Recalled Devices, and/or (ii) any asserted defects, delays or inadequacies relating to the Philips RS recall programs.

### **RECITALS**

A. Beginning on June 14, 2021, Philips RS announced recalls of certain CPAP, BIPAP and ventilator products (the “Recalled Devices,” defined further below).

B. Individuals have asserted actual or potential Personal Injury Claims against the Philips Defendants, including through the filing of lawsuits or other proceedings against the Philips Defendants and also through joining the Census Registry. The Philips Defendants deny any and all liability for all Personal Injury Claims.

C. The filed Personal Injury Claims have been centralized in, *inter alia*, the MDL Court and the Massachusetts Court.

D. The Parties have concluded that, given the facts and circumstances of the Personal Injury Claims, including the claims asserted and the legal and factual defenses thereto, it would be in the Parties’ best interests to enter into this MSA to avoid the uncertainties, burdens and risks of new and continued litigation. The Parties have further concluded that, based on, among other things, the total number of persons who have asserted Personal Injury Claims and, separately, the total number of persons with Personal Injury Claims that the Parties anticipate will participate in the Program, the Program is fair, reasonable and adequate.

E. The Parties agree that this MSA and the Program are intended to resolve, in lieu of further litigation, all Released Claims of all Eligible Claimants. For persons represented by counsel, to be an Eligible Claimant, the person must have retained counsel on or before April 29, 2024. The Program is not available to persons represented by counsel where that representation began after April 29, 2024.

F. Pursuant to Pretrial Order No. 8, the PNC were authorized by the MDL Court to prosecute litigation relating to the Recalled Devices, including the negotiation of any potential settlements. This MSA is a result of work performed and expenses incurred by the Court-appointed plaintiffs’ leadership for the common benefit of Plaintiffs, including as a result of

extensive negotiations between the Parties with the assistance of the Court-appointed mediator, the Honorable Diane M. Welsh (Ret.) (the “Settlement Mediator”).

G. The Program is intended to resolve all claims or potential claims of Eligible Claimants who allege any injury the undersigned counsel for Plaintiffs believe can be sustained. Based on their assessment, the remaining injuries (*i.e.*, Nonqualifying Injuries, which are not part of the Settlement or the Program) will not be pursued going forward by the undersigned counsel for Plaintiffs.

H. The Philips Defendants are paying no more than the consideration set forth in this MSA (*i.e.*, in the aggregate, \$1.075 billion) to resolve all Released Claims of all Eligible Claimants.

I. The Parties expressly agree and acknowledge that the Settlement and the Program are available only to United States Citizens and Residents.

J. Nothing in the Settlement will be construed as evidence of, or as an admission by, the Philips Defendants of any fault, liability, wrongdoing, causation, or damages whatsoever. The Philips Defendants maintain that use of the Recalled Devices did not cause any injuries, including any of the Qualifying Injuries. The Philips Defendants are not endorsing or agreeing to any particular allocation methodology or injury value for any particular Qualifying Injury or Eligible Claimant.

## **ARTICLE 2 IDENTIFICATION OF ELIGIBLE CLAIMANTS**

**Section 2.1** The Settlement is intended to resolve all Released Claims of all Eligible Claimants. The purpose of the identification requirements set forth in this section is to identify and create an initial list of the Eligible Claimants.

### **Section 2.2 Identification Order**

**2.2.1** Promptly after the execution of this MSA, the Parties agree to request that the MDL Court and the Massachusetts Court enter Identification Orders requiring, within 30 days of the Orders (the “Identification Order Declaration Deadline”), (i) all counsel with clients in suit or on the Census Registry to identify all Eligible Claimants (whether claims or potential claims with respect to the Eligible Claimant client have been filed in suit, asserted on the Census Registry, or otherwise) for which they are Primary Counsel, and (ii) *pro se* litigants to identify themselves if they believe they suffered a Qualifying Injury caused by their use of one or more Recalled Devices and/or any asserted defects, delays or inadequacies relating to the Philips RS recall programs (the “Identification Order Declarations”).

**2.2.2** The Identification Orders shall be substantially in the form of Exhibit 3.

**2.2.3** The Identification Orders shall require each Primary Counsel to take any and all steps necessary to identify all Eligible Claimants they represent or claim to represent (whether claims or potential claims with respect to the Eligible Claimant client have been filed in suit, asserted on the Census Registry, or otherwise), and submit to the Settlement Administrator an Identification Order Declaration under penalty of perjury that identifies all Eligible Claimants represented by that Primary Counsel and affirms under penalty of perjury that the Identification Order Declaration includes all of Primary Counsel’s Eligible Claimant clients.

**2.2.4** Identification Order Declarations may also be submitted by counsel who do not have clients in suit or on the Census Registry. The filing of suit and/or enrollment in the Census Registry is not a condition to participating in the Program.

**2.2.5** Promptly upon the execution of the MSA, (i) the Parties will jointly request that the MDL Court enter an Identification Order substantially in the form of Exhibit 3, (ii) the Philips Defendants will request that the MDL Court enter a Docket Management Order substantially in the form of Exhibit 4, which the PNC will not oppose, and (iii) the Philips Defendants will request

that the Massachusetts Court enter both an Identification Order and a Docket Management Order in substantially the same form, which the PNC will not oppose.

**2.2.6** The Philips Defendants shall have the option, in their sole discretion, to terminate the Settlement if either the Identification Order or the Docket Management Order are not entered by the MDL Court. This option shall expire 30 days after the MSA is signed, although the Parties can agree on a reasonable extension if the entry of those orders is then still under consideration by the MDL Court.

**Section 2.3** For each filed case and potential claim that had been on the Census Registry, there must be a single designation of a Primary Counsel. Primary Counsel must identify clients by serving a list of all Eligible Claimant clients (whether in suit, on the Census Registry or otherwise) for which such counsel is Primary Counsel as of the date of the designation.

**Section 2.4** If any law firm fails to submit an Identification Order Declaration by the applicable Identification Order Declaration Deadline, Plaintiffs' Negotiating Counsel agrees to invoke the full scope of their rights under the Attorney Participation Agreement, including enforcing the Attorney Participation Agreement in the MDL Court by requiring that the noncompliant law firm(s) provide a list of their clients and imposing the full extent of sanctions permitted under the Attorney Participation Agreement.

**Section 2.5** Any person who, as of the applicable Identification Order Declaration Deadline, is not included on an Identification Order Declaration, or (for *pro se* plaintiffs only) who has not filed a Personal Injury Claim or Claims in the MDL Court or the Massachusetts Court alleging a Qualifying Injury, shall be deemed an Ineligible Claimant. An Ineligible Claimant is not entitled to participate in or receive any benefits under the Settlement or the Program unless both Plaintiffs' Negotiating Counsel and the Philips Defendants agree to deem that person an Eligible Claimant (e.g., allowing for the untimely submission of an Identification Order Declaration), in which case that person will be considered an Eligible Claimant for all purposes.

**Section 2.6** Within 14 days after the submission of Identification Order Declarations, and in consultation with the Parties, the Settlement Administrator shall provide the Parties with a de-duplicated list of Eligible Claimants (the "Identification Order Report").

**Section 2.7** The Parties may challenge the contents of the Identification Order Report, including that such report either includes claimants who are not Eligible Claimants or fails to include Eligible Claimants or both. A challenge pursuant to this Section shall be made in writing to the Settlement Administrator and served on the other Parties within 14 days of the issuance of the Identification Order Report. Any Party that opposes the challenge may submit a written response within 10 days of such challenge. The Settlement Special Master shall review any such challenge and issue a determination, which may include amending the Identification Order Report, within 10 days of such response. The determination by the Settlement Special Master shall be final, binding and not subject to any right to further review by any party or court. The Parties may agree in writing on reasonable extensions of these deadlines.

**Section 2.8** The Philips Defendants will be terminating the Census Registry on or around the date of this MSA. The Philips Defendants agree to the tolling of any and all time

limitations for filing or pursuing a Personal Injury Claim for all claimants included on the Identification Order Report, to the extent such time limitations have not already expired as of the date of this MSA, for the time period from the date of this MSA until 14 days after the expiration of the Philips Defendants' Termination Rights. The tolling of limitations is not intended to, and shall not for any purposes be deemed to, limit or adversely affect any defense, other than a limitations defense, the Philips Defendants may have or would have had in the absence of this tolling. Further, this tolling does not have any impact on any tolling provided under the Prior Tolling Agreement or the Census Registry Program.

### **ARTICLE 3**

#### **REGISTRATION AND IDENTIFICATION OF REGISTERED CLAIMANTS**

**Section 3.1** All Eligible Claimants who appear on the Identification Order Report will have an opportunity to Register for the Program, and thereby become a Registered Claimant.

**Section 3.2** To access the benefits of the Program, Eligible Claimants must complete and submit to the Settlement Administrator a Registration Form electing to participate in the Program, including all required signatures and attachments.

**Section 3.3** The deadline for Registration shall be the Registration Deadline, which is December 10, 2024.

**Section 3.4** Eligible Claimants who comply with and complete the Registration Form and elect to participate in the Program become Registered Claimants. For the avoidance of doubt, only Eligible Claimants may become Registered Claimants, and inclusion on the Identification Order Report does not guarantee eligibility to become a Registered Claimant. Conversely, Eligible Claimants not included on the Identification Order Report may become Registered Claimants only by agreement of the Parties (*e.g.*, allowing for the untimely submission of an Identification Order Declaration) pursuant to Section 2.5 or determination by the Settlement Special Master pursuant to Section 2.7.

**Section 3.5** For purposes of completing a Registration Form, a beneficiary, recognized under state law, of the deceased Eligible Claimant may initially execute the Registration Form. In the event that the allocation to the deceased Eligible Claimant is \$75,000 or more, the Release shall not be effective until executed by a representative for the deceased Eligible Claimant appointed in accordance with applicable state law. For any deceased Eligible Claimant who will receive less than \$75,000, the Release shall be effective if signed by all beneficiaries identified in a family settlement affidavit or the representative satisfies the small estate administration rules consistent with applicable state law. For the avoidance of doubt, no claimant shall be paid until a valid and effective Release has been completed and signed.

**Section 3.6** The Registration Form, which shall be mutually agreed on by the Parties, shall provide information to Eligible Claimants about the benefits of the Settlement and the consequences of failing to register. The Registration Form and accompanying materials may be revised by agreement of the Parties. The Registration Form shall require each Eligible Claimant electing to participate in the Settlement to submit to the Settlement Administrator:

**3.6.1** Identifying information about the Eligible Claimant and the Eligible Claimant's counsel, if any.

**3.6.2** An election as to whether the Eligible Claimant wishes to participate in the Program; and if so elected, such information as is necessary to participate in the Program, including proof the Eligible Claimant is a United States Citizen or Resident, proof of a Qualifying Injury, and proof of use of a Recalled Device (which may include, among other things, information from Care Orchestrator, registrations as part of the Philips RS recall programs, and enrollments and claims submitted as part of the economic loss class action settlement); the Philips Defendants will reasonably cooperate with the Settlement Administrator and the PNC to make such data available as part of the Program.

**3.6.3** A full and complete release of all Released Claims against the Released Parties, a sworn representation that the person has the authority to release such claims and has not sold or otherwise transferred such claims, and an indemnification against the matters set forth in the Release and Indemnification section below, in the form attached as Exhibit 2.

**3.6.4** If the Eligible Claimant has filed a Released Claim or Claims in a court or other tribunal, a dismissal with prejudice of the Released Claim or Claims. Such dismissal shall only be filed in the appropriate court or other tribunal after the Philips Defendants' Termination Rights have expired.

**3.6.5** Evidence of representative capacity (if applicable). The Settlement Administrator will adopt a procedure specifying the proof required of the authority of an Eligible Claimant to act on behalf of a deceased or incapacitated or legally incompetent user or user's estate, where required by this Agreement. For purposes of completing a Registration Form, a beneficiary, recognized under state law, of the deceased Eligible Claimant may initially execute the Registration Form.

**3.6.6** The Settlement Administrator may request additional information or communicate with Primary Counsel and Eligible Claimants in conjunction with Primary Counsel, or *pro se* Eligible Claimants, concerning any questions that may arise in this process and/or to request additional information or documentation from any Eligible Claimant. The Settlement Administrator may respond to Eligible Claimants who contact the Settlement Administrator directly.

**Section 3.7** A person who attempts to register for the Program but fails to provide proof of a Qualifying Injury, proof of use of a Recalled Device, and/or proof that they are a United States Citizen or Resident will be deemed a Deficient Claimant. The Settlement Administrator shall implement a process to allow time for Deficient Claimants to rectify the deficiency(ies). Absent agreement of the Parties, the amount of time for this deficiency cure process shall be no less than 45 days and not more than 90 days. Deficient Claimants who timely rectify the deficiency(ies) are Eligible Claimants and Registered Claimants. Deficient Claimants who do not timely rectify the deficiency(ies) are neither Eligible Claimants nor Registered Claimants, and will be deemed Ineligible Claimants, and will have their Registration Form and accompanying materials returned by the Settlement Administrator and will not be bound by the Program.

**Section 3.8** For all Registered Claimants with filed complaints (or similar pleadings), a stipulated dismissal with prejudice shall be filed in the appropriate court or tribunal after the Philips Defendants' Termination Rights have expired and consistent with Section 4.3.

**Section 3.9 No Punitive Damages.** By completing a Registration Form that elects to participate in the Program and submitting a Release, each Registered Claimant waives the right to receive any punitive damages arising out of or related to any Released Claim, and each Registered Claimant understands and agrees that no amount paid pursuant to the Program is, or shall be deemed to be, attributable to punitive damages.

**Section 3.10 No Withdrawal of Registration Forms.** Submission of a Registration Form electing to participate in the Program is irrevocable. No Registered Claimant may under any circumstances or reason withdraw a Registration Form or accompanying materials, request the return of his/her Release or dismissal with prejudice, or otherwise withdraw from the Program regardless of the amount of any non-zero final award from the Program. Any purported withdrawal of a Registration Form or accompanying materials is not effective unless by the written agreement of all Parties.

**Section 3.11 Failure to Register.** Eligible Claimants who do not register by the Registration Deadline shall not be eligible to participate in the Program unless the Parties jointly agree to waive this requirement on a case-by-case basis.

**Section 3.12 Disengagement from Eligible Claimants Who Cannot Be Located or Reached.** Within 7 days after the Registration Deadline, to the extent applicable, Primary Counsel shall submit a Disengaged Claimant Declaration, in the form of Exhibit 1, to the Settlement Administrator and the Philips Defendants, listing all their Eligible Claimant clients Primary Counsel was unable to contact prior to the Registration Deadline, despite repeated good faith attempts to do so. Pursuant to that Declaration, Primary Counsel will affirm that they have disengaged with and ceased all representation of any Disengaged Claimants.

## **ARTICLE 4 RELEASE AND INDEMNIFICATION**

**Section 4.1** Each Registered Claimant shall fully and forever release all Released Parties from and against all Released Claims. Each Registered Claimant shall fully indemnify and hold harmless the Released Parties from any and all claims by Lienholders. The Release shall be in the form of Exhibit 2.

**Section 4.2** Each Registered Claimant shall acknowledge and warrant that the Registered Claimant is solely liable for the payment of taxes and/or liens, if any, associated with the Settlement, the Program and the releases, and that all present and future liens that arise out of or as a result of the Registered Claimant's claims or their settlement and release (including, but not limited to, any Medicare or Medicaid liens, liens by any governmental entity, other entity or insurer, workers' compensation liens, employer ERISA plan liens, Social Security liens, hospital, physician, health care provider or attorney liens) are the Registered Claimant's sole and exclusive responsibility.

**Section 4.3** The releases, indemnities, and dismissals with prejudice provided as part of the Registration process shall be held in escrow by the Settlement Administrator, until after the Philips Defendants' Termination Rights have expired. The Philips Defendants shall have access to such releases, indemnities, and dismissals with prejudice and may review them at any time. If the Philips Defendants do not exercise any of their Termination Rights, such releases, indemnities, and dismissals with prejudice shall be provided to them, and the dismissals with prejudice shall be filed.

## **ARTICLE 5 PARTICIPATION AND TERMINATION**

**Section 5.1 Participation Level.** The Participation Level is the percentage of Eligible Claimants who become Registered Claimants. The Participation Level shall be equal to  $(\text{Number of Registered Claimants} + \text{Number of Eligible Claimants who do not become Registered Claimants but whose claims are dismissed with prejudice}) / (\text{Number of Eligible Claimants} - \text{Number of Disengaged Claimants}) * 100$ .

Deficient Claimants and Ineligible Claimants are neither Eligible Claimants nor Registered Claimants and are not included as part of the Participation Level calculation.

Any Registration submissions that are materially incorrect or fraudulent will not be considered in the Participation Level calculations.

Eligible Claimants who are unable to execute a release as a result of bankruptcy or death shall count as Registered Claimants if:

- a. In the event of death, Primary Counsel asserts the Eligible Claimant's intention to participate in the Program, but is awaiting authorization to execute the Release; or
- b. In the event of a bankruptcy, Primary Counsel confirms its good faith belief that the Personal Injury Claim is property of the bankruptcy estate and provides evidence of an active bankruptcy during the pendency of such claimant's litigation against the Released Parties.

**Section 5.2** The Settlement Administrator shall report the Participation Level 14 days after the Registration Deadline, subject to the Parties' mutual agreement to an extension for the Settlement Administrator to do so.

**Section 5.3 Minimum Participation Level.** The Philips Defendants shall have the option, in their sole discretion, to terminate the Settlement if the following Participation Level threshold is not met (a "Termination Right"):

**Overall Participation Level.** 95% of Eligible Claimants become Registered Claimants per the formula in Section 5.1.

**Section 5.4** Either Party may challenge the Settlement Administrator's calculation of the Participation Level within 14 days of being provided notice of the Participation Level. Within 10 days of such challenge, any Party opposing such challenge may submit a written response. The

Settlement Special Master shall review any such challenge and issue a determination within 10 days of such response. The determination by the Settlement Special Master shall be final, binding, and not subject to any right to further review by any Party or court. The Parties may agree in writing on reasonable extensions of these deadlines.

**Section 5.5** The Philips Defendants' Termination Rights shall expire 14 days after the Participation Level is finalized, either 14 days after the Settlement Administrator calculates and communicates to the Philips Defendants the Participation Level thresholds, or in the event of a challenge to the Participation Level pursuant to Section 5.4, 14 days after the resolution of that challenge process, whichever is later.

**Section 5.6** If the Program is terminated or otherwise not effectuated, then: (1) the documents executed as part of Registration are null and void; (2) any releases and indemnities will be rescinded and will have no effect; and (3) any dismissals provided as part of the Registration process will not be filed with the applicable court and will be returned by the Settlement Administrator to the Primary Counsel or *pro se* claimant who submitted them. None of the Parties' claims and defenses in litigation will be prejudiced by entering the MSA under these circumstances.

## **ARTICLE 6 ADMINISTRATORS AND ROLES**

**Section 6.1 Administration.** This is a private agreement. Each Party, and, by inclusion on an Identification Order Declaration and/or submission of a Registration Form, each Eligible Claimant and all counsel for each such Eligible Claimant, agree that authority over the process contemplated by the Program, including any Eligible Claimants registering under the Program, resides with the Parties and those persons appointed by the MDL Court pursuant to this MSA to exercise that authority, as such authority is specified in this MSA.

**Section 6.2** The administration of this MSA requires a Settlement Special Master, a Settlement Administrator, and an Allocation Special Master. Other administrators may be appointed to assist in implementing the Program, at the discretion of the Parties. All of the costs and expenses of claims and other administration for the Program will be paid for out of the Settlement Fund, including all costs and expenses incurred by the Settlement Administrator, the Settlement Special Master, the Allocation Special Master, and any other administrators, as well as all costs and expenses incurred for purposes of lien resolution. The Philips Defendants shall not be responsible for any costs or expenses beyond their payments into the Settlement Fund, as described in Article 9 below.

**Section 6.3** The Settlement Administrator shall be BrownGreer, PLC. Subject to the approval of the Parties, some or all of the duties enumerated below may be modified as needed to ensure the efficient operation of this Settlement, to minimize expense, and/or to mitigate any risks to the corpus of the settlement funds. The Settlement Administrator shall be charged with the following primary administrative responsibilities conforming to the MSA and the execution of this Program: claims administrator; and administrator of the 26 C.F.R. § 1.468B-1 Qualified Settlement Fund ("QSF"). The following subsection lists the enumerated duties and responsibilities of the Settlement Administrator but is not intended to be an exhaustive list of

obligations. The Parties agree that the Settlement Administrator shall perform the following duties to effect the Parties' negotiated Program.

**6.3.1** The Settlement Administrator shall be responsible for coordination with and implementation of any Program design, allocation methodology, and settlement document(s) requirements of the Parties. By way of example, this may include coordination and data administration; implementation, application, and generation of Registered Claimant's settlement offer *vis-à-vis* the Allocation Special Master methodology; and building and transmitting a Settlement disclosure packet to Eligible Claimants, among other tasks. The Settlement Administrator shall work collaboratively with the Allocation Special Master to create and distribute a Program disclosure packet to Eligible Claimants, and on reviewing, and coordinating review of, the information submitted by Eligible Claimants, including as part of the allocation methodology.

**6.3.2** The Settlement Administrator shall be responsible for all data administration related to the Program. This shall include performing eligibility determinations and qualifying Eligible Claimants for participation in the Program consistent with this Agreement. The Settlement Administrator shall review all Eligible Claimant submissions and supporting records. The Settlement Administrator shall certify the proper execution of compulsory documents in the Settlement disclosure packet per the Parties' requirements herein, including the release and stipulated dismissals with prejudice, and coordinate with the Philips Defendants for verification of same.

**6.3.3** The Settlement Administrator shall work with the Parties to design and implement fraud protection measures, including to identify and reject fraudulent claims for awards from the Program.

**6.3.4** The Settlement Administrator in consultation and coordination with the Parties shall prepare all motions, proposed court order(s), and documents needed to establish and administer the QSF in accordance with this MSA and court order(s), and distribute funds from the QSF to law firms and Registered Claimants in accordance with the Program. The Settlement Administrator shall obtain a Federal Taxpayer Identification Number (TIN) and open custodial bank account(s).

**Section 6.4** The Settlement Administrator shall report to the Parties on a periodic basis concerning all aspects of implementation of this MSA and the Program.

**Section 6.5** Tax Management of QSF by Settlement Administrator.

**6.5.1.** To the fullest extent allowable under applicable law, the Qualified Settlement Fund shall be treated as being at all times a "qualified settlement fund" within the meaning of Treasury Regulation §1.468B-1 et seq. The Settlement Administrator and, as required, the Parties, shall timely make such elections as are necessary or advisable to carry out the provisions of this Section, including the "relation-back election" as defined in Treasury Regulation §1.468B-1, back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulation. It shall be the sole responsibility of the Settlement Administrator to timely and properly prepare and deliver the necessary

documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

**6.5.2** Custodial Bank shall mean Huntington Bank, which will enter into an agreement to carry out the tasks more fully detailed in that agreement, including to receive, hold, invest, and disburse funds and pay reasonable administrative expenses pursuant to the Program. Upon mutual agreement, the Parties may replace Huntington Bank with another financial institution.

**6.5.3** Tax Returns. For the purpose of Section 468B of the Internal Revenue Code, the “administrator” shall be the Settlement Administrator. The Settlement Administrator shall timely and properly provide all informational and other tax returns necessary or advisable with respect to the QSF and the amounts held in the Qualified Settlement Fund including the returns described in Treasury Regulation §1.468B-2(k)(l). Such returns (as well as the election described in Section 468B) shall be consistent with Section 468B and in all events shall reflect that all taxes (including any estimated taxes, interest or penalties, or tax detriments) on the income earned by the Qualified Settlement Fund shall be paid exclusively out of the Qualified Settlement Fund, in accordance with Section 468B.

**6.5.4** The Parties agree to cooperate with the Settlement Administrator, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Section. The Settlement Administrator shall be empowered to take all such actions, including such actions as may be inconsistent with those expressly set forth in this Article 6, as deemed necessary to ensure that the Trust is treated as a “Qualified Settlement Fund” under Section 468B of the Internal Revenue Code and the Regulations promulgated pursuant thereto. The overarching purpose of the Qualified Settlement Fund is to be at all times in compliance with Internal Revenue Code Section 468B and all administrative authority and announcements thereunder.

**Section 6.6** The Settlement Special Master shall be Judge Diane M. Welsh (ret.).

**6.6.1** The Settlement Special Master may decide any disputes regarding the MSA, or arising out of its or the Program’s implementation, on agreement of the Parties.

**Section 6.7** The Allocation Special Master shall be Matt Garretson. The Allocation Special Master shall create an allocation methodology to calculate the settlement offer for each Eligible Claimant (which shall be a non-zero amount for each Eligible Claimant), including an allocation methodology and process for reviewing and determining any extraordinary injury fund (“EIF”) application. The Allocation Special Master shall work with the Settlement Administrator to create and distribute a Settlement disclosure packet to Eligible Claimants, and on reviewing, and coordinating review of, the information submitted by Eligible Claimants as part of the allocation methodology. The responsibility to create the allocation methodology resides with the Allocation Special Master, but the Allocation Special Master may consult with the Parties as part of that process. In entering into this Settlement, the Philips Defendants are not endorsing or agreeing to any particular allocation methodology or injury value for any particular Eligible Claimant or alleged injury. The Philips Defendants are not responsible for the allocation methodology determined by the Allocation Special Master.

**ARTICLE 7**  
**GOOD FAITH PARTICIPATION AND OBLIGATIONS**  
**OF COUNSEL FOR ELIGIBLE CLAIMANTS**

**Section 7.1** By the submission of a Registration Form, Eligible Claimants and their counsel agree to abide by any Orders entered by the MDL Court and/or the Massachusetts Court, as applicable, in furtherance of the Settlement, including the Identification Orders and Docket Management Orders.

**Section 7.2** Counsel for Eligible Claimants must act in good faith with respect to participation or nonparticipation in the Program by their clients. By the submission of a Registration Form for one of their Eligible Claimants, counsel for Eligible Claimants represent and warrant that they will use their best efforts to secure all documentation required for timely Registration and compliance with the Program, including releases, indemnities and, where applicable, dismissals with prejudice, from all of their clients who elect to register in the Program and to otherwise effectuate the terms of the Program and, subject to the exercise of their independent professional judgment as to the circumstances of individual clients, they will endorse Registration in the Program to their Eligible Claimant clients.

**Section 7.3** By the submission of a Registration Form for one of their Eligible Claimants, counsel for Eligible Claimants affirm that they are not actively advertising for, soliciting, seeking, or taking steps to obtain new clients to assert Personal Injury Claims against one or more of the Released Parties, and have no present intent to do so in the future.

**Section 7.4** Each counsel is expected to exercise his or her independent judgment in the best interest of each client. The Parties agree that a central objective of the Program is that, with respect to any counsel for a Registered Claimant, all other Eligible Claimants represented by such counsel will also be Registered Claimants. While nothing in this Program is intended to operate as a “restriction” on the right of any person’s counsel to practice law within the meaning of Rule 5.6(b) of the ABA Model Rules of Professional Conduct (or its equivalent) in any jurisdictions in which such counsel practices or whose rules may otherwise apply, it is agreed that: (1) by the submission of a Registration Form for one of their Eligible Claimants, counsel is representing that they have reviewed the Program, are able to represent that this Program is in the best interest of Eligible Claimants, and have recommended, or will recommend, to 100% of their Eligible Claimant clients that they complete a Registration Form for the Program; and (2) if any such Eligible Claimant disregards such recommendation, or for any other reason chooses not to participate in the Program, such counsel shall, to the extent permitted by Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct (or their equivalent) in the relevant jurisdiction(s), take (or have taken, as the case may be) all necessary steps to disengage and withdraw from the representation of such Eligible Claimant, forego any fee interest in such Eligible Claimant, and seek to withdraw (subject to court approval, if applicable) from the representation of such Eligible Claimant.

**Section 7.5** By the submission of a Registration Form for one of their Eligible Claimants, counsel for Eligible Claimants also agree: (1) to abide by MDL Pretrial Order No. 24 (ECF 717) (“Common Benefit Assessment Order”) and permit the payment of the specified common benefit assessment percentage of the Gross Monetary Recovery of any final award, as

defined in the Common Benefit Assessment Order, to the Common Benefit Fund, as described further in Section 10.2; (2) to comply with any Orders entered by the MDL Court in furtherance of Revised Pretrial Order No. 13 (ECF 586) and Pretrial Order No. 24; (3) to consent to the jurisdiction of the MDL Court; (4) that the Program is a result of work performed and expenses incurred by the Court-appointed plaintiffs' leadership for the common benefit of Plaintiffs; and (5) to be bound by the Court's determination on common benefit attorney fee awards, attorney fee allocations, and expense awards, and knowingly and expressly waive any right to appeal those decisions or the ability to assert the lack of enforceability of the Court's Orders or to otherwise challenge their adequacy. This MSA and the Program shall not alter any contractual obligation between lawyers and their clients regarding attorneys' fees.

## **ARTICLE 8**

### **LIEN RESOLUTION RESPONSIBILITIES**

**Section 8.1** The Parties intend that the Settlement Fund shall fulfill and address all of the Philips Defendants' responsibilities with respect to the Released Claims of Registered Claimants, and that the Philips Defendants shall have no obligations or responsibilities with respect to Lienholders or other third parties claiming to have a right of recovery related to such Released Claims.

**Section 8.2** Plaintiffs' Negotiating Counsel will select a Lien Administrator to assist with resolution of Liens. The Lien Administrator shall be responsible for the negotiation and resolution of Liens asserted by Lienholders, and such other duties as Plaintiffs' Negotiating Counsel and the Lien Administrator so agree. If the Lien Administrator is unable to negotiate the resolution of Liens asserted by Lienholders against Registered Claimants, the Registered Claimants (not the Philips Defendants) shall be responsible for the negotiation and resolution of such Liens.

**Section 8.3** If the Lien Administrator and Plaintiffs' Negotiating Counsel agree that Lien Administrator has attained a satisfactory repayment amount with respect to a Registered Claimant, the Lien Administrator shall: (i) satisfy such repayment amount out of any monetary award to such Registered Claimant; and (ii) provide that reasonable compensation of the Lien Administrator for such efforts will be paid out of the monetary award to such Registered Claimant.

If the Lien Administrator and Plaintiffs' Negotiating Counsel agree that the Lien Administrator has exhausted administrative efforts with any Lienholder to resolve groups of Liens globally, the Lien Administrator shall put in place a mechanism for resolving these Liens on an individual basis by each individual Registered Claimant. In all events, the responsibility to negotiate and resolve the Liens shall fall on the Registered Claimant, not the Philips Defendants.

**Section 8.4** Nothing herein is intended to, nor should be construed as, creating a right of reimbursement for lienholders of obligations upon Registered Claimants or Registered Claimants' Counsel where none would otherwise exist under applicable state or federal law.

**Section 8.5** All costs and expenses for use of the Lien Administrator shall be paid by the Registered Claimant. The Philips Defendants shall not be responsible for any of the costs or

expenses associated with the Lien Administrator beyond their two payments into the Settlement Fund, as described in Article 9 below.

## **ARTICLE 9 SETTLEMENT FUND**

**Section 9.1 Administrative Expenses.** Within 14 days of the execution of this MSA, the Philips Defendants shall pay \$25 million into the Settlement Fund to fund initial administrative costs and expenses connected with the Program. Such payment is irrevocable and shall not be returned to the Philips Defendants in the event that they exercise a Termination Right. The Philips Defendants shall have no further funding obligation with respect to administrative expenses, even if the administrative expenses exceed \$25 million. Any administrative expenses that exceed \$25 million will be paid for out of the Settlement Fund discussed below in Section 9.2.

**Section 9.2 Settlement Fund.** On the later of January 6, 2025, or 14 days after the expiration of the Philips Defendants' Termination Rights, the Philips Defendants shall pay \$1,050,000,000 (\$1.05 billion) into the Settlement Fund, which will be available to pay benefits to Registered Claimants and any additional costs and expenses associated with the Program (including relating to lien resolution, Program administration, etc.). The Philips Defendants shall have no further funding obligation under the Settlement or the Program, including for any attorneys' fees, costs or expenses whatsoever.

**Section 9.2.1** In accordance with the terms of this MSA, the payments by the Philips Defendants shall be deposited into the QSF. The payments by the Philips Defendants shall remain the property of the QSF and will be held in a fiduciary capacity. Interest accrued shall be distributed to Registered Claimants and/or to pay costs and expenses associated with the Program, not to the Philips Defendants.

## **ARTICLE 10 ATTORNEYS' FEES**

**Section 10.1 Individual Counsel Attorneys' Fees.** This agreement does not alter any contractual obligation between lawyers and clients regarding attorneys' fees.

**Section 10.2 Common Benefit Fund.** Work performed and expenses incurred for the benefit of all claimants as defined more fully in the Revised Pretrial Order No. 13 (ECF 586) and Pretrial Order No. 24 shall be paid from the Common Benefit Fund, created by an assessment of the gross monetary recovery pursuant to those Orders. Payments are subject to procedures set in place by the MDL Court now or in the future. In connection with any payments to or for the benefit of Registered Claimants, the Settlement Administrator shall withhold and hold back on a per-Registered-Claimant basis the Common Benefit Assessment as set forth in the MDL Court's Orders in place now or in the future implemented. The Settlement Administrator must provide proof of compliance to the PNC and the MDL Court.

## **ARTICLE 11 MISCELLANEOUS**

**Section 11.1** No Party makes any representation regarding the tax consequences relating to this Settlement or the Program. Eligible Claimants should consult with their own tax advisors.

**Section 11.2** This MSA is the product of arm's-length negotiations between the Parties, including mediations and negotiations between the Parties assisted by the Honorable Diane M. Welsh (Ret.). No Party shall be deemed to be the drafter of this MSA or any provision thereof. No presumption shall be deemed to exist in favor of or against any Party as a result of the preparation or negotiation of this MSA.

**Section 11.3** This MSA shall be binding on the Parties regardless of any change in the law that might occur after the date the Parties execute this MSA.

**Section 11.4** The terms of this MSA may not be modified or waived except in writing, signed by the Parties hereto. The Parties hereby acknowledge that they have read this MSA and had an opportunity to obtain the advice of competent counsel of their choosing regarding it. As such, the Parties hereby also acknowledge that they understand the terms of this MSA, and that they freely and voluntarily sign and enter into it. The waiver by any Party of any breach of this MSA shall not be deemed or construed as a waiver of any other breach, whether prior to, subsequent to, or contemporaneous with this MSA.

**Section 11.5** This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania, including all matters of construction, validity, performance, and enforcement, and without giving effect to the principles of conflict of laws. Other than as expressly set forth herein (e.g., disputes for the Settlement Special Master), any disputes related to this MSA will be brought in the United States District Court for the Western District of Pennsylvania (Conti, J.).

**Section 11.6** This MSA may be executed in counterparts and taken together shall constitute one and the same MSA.

**Section 11.7** This MSA shall be binding on, and inure to the benefit of, the successors and assigns of the Parties hereto. Nothing in this MSA, express or implied, is intended to confer upon any person or entity other than the Parties hereto or their respective successors, heirs, issue, and assigns, any rights or benefits under or by reason of this MSA. This MSA shall not be assignable by any Party hereto without prior written consent of the other Party.

**Section 11.8** Electronic signatures shall be accepted for execution of any settlement document required of Eligible Claimants or Eligible Claimants' Counsel. The Parties will work with the Settlement Administrator to ensure compliance with applicable standards and protections.

**Section 11.9** Neither this MSA, nor any exhibit, document, or instrument delivered hereunder, nor any statement, transaction, or proceeding in connection with the negotiation, execution, or implementation of this MSA or the Program, is intended to be or shall be construed as or deemed to be evidence of an admission or concession by the Philips Defendants of any fault, liability, wrongdoing, causation, or damages, or of the truth of any allegations asserted by any

plaintiff or claimant against it, including by any Eligible Claimant, or as an admission by any Eligible Claimant of any lack of merit in their Personal Injury Claim.

No Party or claimant shall seek to introduce and/or offer the terms of this Settlement, any statement, transaction, or proceeding in connection with the negotiation, execution, or implementation of this Settlement, or any statements in the documents delivered in connection with this Settlement, or otherwise rely on the terms of this Settlement, in any judicial proceeding, except insofar as necessary to enforce the terms of this Settlement or the releases provided pursuant to the Settlement, in connection with the determination of any income tax liability of a party, or in relation to any instrument executed and delivered pursuant to this Settlement (including any Registration Form and the executed attachments thereto). If a person seeks to introduce and/or offer any of the matters described herein in any proceeding against the Philips Defendants or any other Released Party, the restrictions of this section shall not be applicable to such Released Party with respect to that person.

**Section 11.10** The Parties shall keep confidential, pursuant to mediation privileges and confidentiality, the content of the negotiations, points of discussion, documents, communications, and supporting data utilized or prepared in connection with the negotiations and settlement discussions related to the MSA.

**Section 11.11** Nothing in this MSA shall be interpreted to require any Party, any Eligible Claimant, or any counsel to engage in any conduct that is a violation of law and/or unethical under applicable ethical rules.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first set forth above.

## RELEASE

I, the undersigned Releasor, have chosen to participate in the Philips Respironics PAP Personal Injury Settlement Program set forth in the Personal Injury Master Settlement Agreement, dated May 9, 2024.<sup>1</sup> I have received disclosures from my counsel, if applicable, or the Settlement Administrator regarding the allocation of the Settlement Fund under the Program, and those disclosures enable me to estimate my Individual Plaintiff Settlement Payment. I understand that along with this Release, I am submitting a Registration Form to the Settlement Administrator. I understand that the terms of the Settlement, the Program and this Release govern the resolution of my Released Claims. I understand and agree that this Release shall become effective concurrent with the Philips Defendants' funding payment under the Settlement Agreement. I understand that the Philips Defendants' funding payment shall be held in trust for purposes of making payments to Registered Claimants under the Program. I understand that at the time determined by the Settlement Agreement, I or my counsel will execute a stipulated dismissal with prejudice dismissing all pending Released Claims I have filed, if any. Once effective, this Release shall release any and all Released Claims I and the other Releasing Parties have, or may have in the future, whether known or unknown, against the Philips Defendants and the other Released Parties.

Accordingly, in consideration for the Philips Defendants' agreement to establish the Program, the significant expenses being incurred by the Philips Defendants in connection with the Program, and my Individual Plaintiff Settlement Payment, I hereby give and make the following Release. This Release is also entered into by any Derivative Claimant who executes a signature page hereto, in which case the agreement of such Derivative Claimant set forth on his, her or its signature page is incorporated in, and is part of, this Release.

By signing this Release, both I and any such Derivative Claimant understand and acknowledge that although I have received disclosure documents regarding the allocation of the Settlement Fund, which enables me to estimate my Individual Plaintiff Settlement Payment, there is no assurance at this time as to the precise amount of such payment, and this fact shall in no way affect the validity or effect of this Release.

### **Definitions:**

**Derivative Claimant** means any and all persons who have asserted or do assert the right to sue any of the Released Parties related to the Released Claims by reason of their personal relationship with me, and/or otherwise by, through or under, or otherwise in relation to, me, whether their right to sue is independent, derivative, or otherwise. Derivative Claimants include, but are not limited to, my parents, guardians, heirs, beneficiaries, surviving spouse (including, but not limited to, a putative or common law spouse), surviving domestic partner and/or next of kin, if any, solely in respect to Derivative Claims.

---

<sup>1</sup> Capitalized terms are either (i) defined below, or (ii) in the Personal Injury Master Settlement Agreement. Capitalized terms that are used but not otherwise defined herein shall have the meanings given such terms in the Personal Injury Master Settlement Agreement.

**Derivative Claims** means Released Claims against any of the Released Parties relating to a Derivative Claimant's personal relationship with me as it relates to the Released Claims, and/or otherwise by, through or under, or otherwise in relation to, me.

**Individual Plaintiff Settlement Payment** means any gross payment from the Settlement Fund made to a Registered Claimant or Derivative Claimant pursuant to the Program.

**Law** means a law, statute, ordinance, rule, regulation, case or other legal provision or authority.

**Released Claims** means any and all Personal Injury Claims, whether known or unknown, suspected or unsuspected, accrued or unaccrued, concealed or hidden, past, present or future, including for injuries not yet manifested and injuries or symptoms that develop further and/or are later worsened or exacerbated, relating to a Recalled Device or the Philips RS recall programs, including any alleged defects, delays or inadequacies relating to the Philips RS recall programs, as well as any claims or relief for medical screening and/or medical monitoring, whether in the form of monetary or non-monetary relief, including individual claims for monetary relief for medical monitoring, except that Released Claims does not include Personal Injury Claims for a cancer that is unknown to the Registered Claimant as of the Registration Deadline.

**Releasing Parties** means (i) myself and (ii) any Derivative Claimant.

**Settlement Program** means the Philips Respironics PAP Personal Injury Settlement Program set forth in the Personal Injury Master Settlement Agreement.

**Releases:** On my own behalf and on behalf of each other Releasing Party, I hereby knowingly and voluntarily release, relinquish, and forever discharge the Released Parties from the Released Claims. Further, on my own behalf and on behalf of each other Releasing Party, I hereby release the Released Parties from responsibility or liability for the Program, the Settlement, and the determination of any Individual Plaintiff Settlement Payment, or the associated allocation, division or computation leading to that determination. This Release is not conditional on receipt of any particular Individual Plaintiff Settlement Amount or allocation.

I acknowledge that I and/or any other Releasing Party may in the future learn of additional and/or different facts relating to the Released Claims. I understand and acknowledge the significance and consequences of releasing all of the Released Claims, whether known or unknown, and hereby (on my own behalf and on behalf of each other Releasing Party) assume full risk and responsibility for any and all such additional and/or different facts and any and all Released Claims that I (and/or any other Releasing Party) may hereinafter incur or discover. To the extent that any law may at any time purport to preserve my and/or any other Releasing Party's right to hereafter assert any such unknown and/or unanticipated Released Claim, I hereby (on my own behalf and on behalf of each other Releasing Party) specifically and expressly waive (to the fullest extent permitted by applicable Law) my and any other Releasing Party's rights under such Law. I further acknowledge having had an opportunity to obtain advice of counsel of my choosing regarding this waiver, and having had the opportunity to discuss it with such counsel to my satisfaction.

On my own behalf and on behalf of each other Releasing Party, I acknowledge and agree that the releases set forth in this Release are irrevocable and unconditional, inure to the benefit of and may be enforced by each Released Party, and are intended to be as broad as can possibly be created with respect to the Released Claims.

**WITHOUT LIMITATION OF THE FOREGOING, THIS RELEASE IS SPECIFICALLY INTENDED TO OPERATE AND BE APPLICABLE EVEN IF IT IS ALLEGED, CHARGED, OR PROVED THAT SOME OR ALL OF THE RELEASED CLAIMS ARE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE, NEGLIGENCE PER SE, GROSS NEGLIGENCE, BREACH OF WARRANTY, FAILURE TO WARN, VIOLATION OF LAW, DEFECTIVE PRODUCT, MALICE, AND/OR CONDUCT OF ANY TYPE BY ANY OF THE PHILIPS DEFENDANTS, ANY OF THE OTHER RELEASED PARTIES, AND/OR ANY OTHER PERSON.**

**Waiver of Statutory Rights:**

**I, on my own behalf and on behalf of each other Releasing Party, expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights, and benefits of California Civil Code Section 1542, or any other similar provision under federal or state law, which provides:**

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

**To the extent the provisions apply, the Releasing Parties likewise expressly, knowingly, and voluntarily waive the provisions of Section 28-1-1602 of the Montana Code Annotated, which provides:**

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN THE CREDITOR'S FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH, IF KNOWN BY THE CREDITOR, MUST HAVE MATERIALLY AFFECTED THE CREDITOR'S SETTLEMENT WITH THE DEBTOR.**

**To the extent the provisions apply, I, on my own behalf and on behalf of each other Releasing Party, likewise expressly, knowingly, and voluntarily waive the provisions of Section 9-13-02 of the North Dakota Century Code, which provides:**

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN THE CREDITOR'S FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY THE CREDITOR, MUST HAVE MATERIALLY AFFECTED THE CREDITOR'S SETTLEMENT WITH THE DEBTOR.**

To the extent the provisions apply, I, on my own behalf and on behalf of each other Releasing Party, likewise expressly, knowingly, and voluntarily waive the provisions of Section 20-7-11 of the South Dakota Codified Laws, which provides:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.**

To the extent the laws apply, I, on my own behalf and on behalf of each other Releasing Party, expressly waive and relinquish all rights and benefits that they may have under, or that may be conferred upon them by, Section 1542 of the California Civil Code, Section 28-1-1602 of the Montana Code Annotated, Section 9-13-02 of the North Dakota Century Code, Section 20-7-11 of the South Dakota Codified Laws, and all similar laws of other States, to the fullest extent that they may lawfully waive such rights or benefits pertaining to the Released Claims .

In connection with such waiver and relinquishment, I, on my own behalf and on behalf of each other Releasing Party, acknowledge that I am aware that I or my attorneys may hereafter discover claims or facts in addition to or different from those that we now know or believe to exist with respect to the Released Claims, but that it is my intention to accept and assume that risk and fully, finally, and forever release, waive, compromise, settle, and discharge all the Released Claims against the Released Parties. The Release thus shall remain in effect notwithstanding the discovery or existence of any additional or different claims or facts in the future.

**No Withdrawal of Registration Form:** I understand and agree that submission of a Registration Form electing to participate in the Program is irrevocable and that I may not under any circumstances or reason withdraw a Registration Form, request the return of my Release or dismissal with prejudice, or otherwise withdraw from the Program regardless of the amount of any Individual Plaintiff Settlement Payment from the Program.

**Attorneys' Fees; Division of Any Individual Plaintiff Settlement Payment:** I understand that the Released Parties are not responsible for any attorneys' fees, costs or expenses I have incurred or may at any time incur, including, but not limited to, in connection with entering into this Release and any other documents. I understand that, with respect to any Individual Plaintiff Settlement Payment, any dispute regarding the division of such Individual Plaintiff Settlement Payment between me, any Derivative Claimant executing this Release, and our respective counsel (if any) shall in no way affect the validity of this Release. I agree that in the event of any dispute regarding fees, costs or expenses, the Released Parties shall not have any responsibility in connection with such dispute.

**Pursuit of Certain Claims:** I agree that other than to enforce this Release, I will never (i) take any legal or other action to initiate, pursue, maintain, or otherwise attempt to execute upon, collect, or otherwise enforce, any of the Released Claims against any Released Party; (ii) institute or participate in any new legal action against any Released Party to any extent, or in any way, arising

out of, relating to, resulting from and/or connected with the Released Claims; or (iii) take any legal or other action against any Released Party concerning the administration, settlement allocation, Individual Plaintiff Settlement Payment, or any other aspect of the Program or the Settlement.

**Indemnification for Claims by Lienholders:** I hereby agree, jointly and severally with any Derivative Claimant executing this Release, to indemnify and hold harmless each Released Party from and against any and all claims by lienholders.

**Pursuit of Certain Claims:** Other than to participate in the Settlement, I agree that from and after the date on which this Release is executed until the earlier of either (i) the date on which this Release is delivered to the Philips Defendants, or (ii) I exit the Program and this Release is returned to me, I shall be prohibited from, and refrain from, taking any action (including any legal action) to initiate, pursue, maintain, or otherwise attempt to execute upon, collect or otherwise enforce, any actual or alleged Released Claims against any of the Released Parties. I will also cooperate in all reasonable respects with the Philips Defendants to seek to stay, and to continue in effect any then outstanding stay with respect to, any pending legal proceedings instituted by me and/or Derivative Claimants against any Released Party in connection with Released Claims, and I will refrain from instituting any new legal action against any Released Party in connection with any Released Claim. I will also be prohibited from and refrain from attempting to execute or collect on, or otherwise enforce, any judgment that may be entered against any Released Party in connection with any Released Claim.

**Confidentiality:** I agree to maintain in confidence, and shall not disclose to any person, the amount of any Individual Plaintiff Settlement Payment, except as may be required by applicable Law and to effectuate the Settlement; provided, that I understand that I may disclose such information to my immediate family members and to my counsel, accountants and/or financial advisors, if any (each of whom I shall, upon such disclosure, instruct to maintain and honor the confidentiality of such information). I agree that if I breach this confidentiality provision, money damages would not be a sufficient remedy and, accordingly, without limitation of any other remedies that may be available at law or in equity, the Philips Defendants shall be entitled to specific performance and injunctive or other equitable relief as remedies for such breach.

**ACKNOWLEDGEMENT OF COMPREHENSION:** I AM ENTERING INTO THIS RELEASE FREELY AND VOLUNTARILY, WITHOUT BEING INDUCED, PRESSURED, OR INFLUENCED BY, AND WITHOUT RELYING ON ANY REPRESENTATION OR OTHER STATEMENT MADE BY OR ON BEHALF OF, ANY PHILIPS DEFENDANT OR ANY OTHER PERSON. I UNDERSTAND AND ACKNOWLEDGE THE NATURE, VALUE, AND SUFFICIENCY OF THE CONSIDERATION DESCRIBED IN THIS RELEASE. I ACKNOWLEDGE THAT I HAVE READ THIS RELEASE AND THE DISCLOSURE DOCUMENTS PROVIDED TO ME REGARDING THE SETTLEMENT AGREEMENT, THE PROGRAM AND THE ALLOCATION OF THE SETTLEMENT FUND, AND I HAVE HAD AN OPPORTUNITY TO OBTAIN ADVICE FROM, AND ASK QUESTIONS OF, COUNSEL OF MY CHOOSING REGARDING THE TERMS AND LEGAL EFFECT OF THESE DOCUMENTS AND MY DECISION TO PARTICIPATE IN THE PROGRAM. I FURTHER ACKNOWLEDGE THAT I UNDERSTAND THIS RELEASE AND THAT

**ALTHOUGH I HAVE RECEIVED DISCLOSURE DOCUMENTS REGARDING THE ALLOCATION OF THE SETTLEMENT FUND WHICH ENABLES ME TO ESTIMATE MY INDIVIDUAL PLAINTIFF SETTLEMENT PAYMENT, THERE IS NO GUARANTEE THAT I WILL RECEIVE ANY PARTICULAR AMOUNT UNDER THE PROGRAM. I FURTHER ACKNOWLEDGE THAT THE INDIVIDUAL PLAINTIFF SETTLEMENT PAYMENT FROM THE PROGRAM SHALL BE THE ONLY PAYMENT TO ME BY ANY RELEASED PARTY. I FURTHER ACKNOWLEDGE THAT THIS RELEASE IS THE PRODUCT OF A MEDIATED SETTLEMENT, THAT THE MEDIATOR HAD NO DUTY TO PROTECT MY INTERESTS OR PROVIDE ME WITH INFORMATION ABOUT MY LEGAL RIGHTS, AND THAT I SHOULD CONSULT WITH COUNSEL IF I AM UNCERTAIN OF MY RIGHTS.**

**Waiver of Certain Provisions Regarding Timing of Any Payments:** If I have any civil action pending in any jurisdiction that has enacted, promulgated, or otherwise adopted any Law containing provisions that establish specific time periods within which settlement funds, if any, must be paid to me in connection with the settlement of such civil action and/or impose sanctions, penalties or other similar obligations against the paying party if the settlement funds are not paid within such time periods and/or invalidate or otherwise affect the terms of the settlement of such civil action, I hereby (i) specifically and expressly waive (to the fullest extent permitted by applicable Law) my rights under any such provisions and (ii) agree that payment of my Individual Plaintiff Settlement Payment shall be made solely in accordance with the terms and conditions of the Program.

**No Admission of Fault:** I understand and agree that the Philips Defendants have entered into the Settlement Agreement and Program solely by way of compromise and settlement. These documents are not, and shall not be construed at any time to be, an admission of liability, responsibility, causation, fault or damages of or by any of the Philips Defendants or any other Released Party.

**Representations and Warranties:** I hereby represent and warrant that I have full power, authority and capacity to enter into this Release, which is enforceable in accordance with its terms. Except as set forth in the section "Attorneys' Fees; Division of Any Individual Plaintiff Settlement Payment" above, I have the sole right to receive any and all Individual Plaintiff Settlement Payments with respect to my claim under the Settlement, other than holders of rights in respect of any Liens. Neither I nor any other Releasing Party has sold, assigned, transferred or otherwise disposed of, or pledged or otherwise encumbered, any of the Released Claims in whole or in part, other than any Liens on my settlement proceeds.

I hereby acknowledge and warrant that I am solely liable for the payment of taxes and/or liens, if any, associated with the Settlement and the Program, and that all present and future liens that arise out of or as a result of the Settlement and Program (including, but not limited to, any Medicare or Medicaid liens, liens by any governmental entity, other entity or insurer, workers' compensation liens, employer ERISA plan liens, Social Security liens, hospital, physician, health care provider or attorney liens) are my sole and exclusive responsibility.

**GOVERNING LAW: THIS RELEASE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE SUBSTANTIVE LAW OF THE COMMONWEALTH OF PENNSYLVANIA, WITHOUT REGARD TO ANY CHOICE-OF-LAW RULES THAT WOULD REQUIRE THE APPLICATION OF THE LAW OF ANOTHER JURISDICTION.**

**Severability:** I agree that if any provision of this Release is adjudicated to be invalid, illegal or unenforceable in any jurisdiction, the relevant provision shall be deemed modified to the extent necessary to make it enforceable in such jurisdiction and, if it cannot be so modified, this Release shall be deemed amended to delete herefrom the invalid or unenforceable provision, and this Release shall be in full force and effect as so modified. Any such modification or amendment in any event shall apply only with respect to the operation of this Release in the particular jurisdiction in which such adjudication was made and shall not affect such provision in any other jurisdiction. To the fullest extent permitted by applicable Law, I hereby (on my own behalf and on behalf of each other Releasing Party) specifically and expressly waive any provision of Law that renders any provision of this Release invalid, illegal or unenforceable in any respect.

**Electronic Signatures:** This Release, and any exhibits thereto, to the extent signed and delivered electronically or by facsimile, shall be treated in all manner and respects as an original agreement, and shall be considered to have the same binding legal effect as if it were the original signed version thereof, delivered in person.

In accordance with the terms of the Master Settlement Agreement (“MSA”),<sup>1</sup> the Court hereby enters this Identification Order. This Order requires (i) all Primary Counsel for all Eligible Claimants, and (ii) all *Pro Se* Eligible Claimants, to provide certain information ***within 30 days of this Order, i.e., no later than June \_\_, 2024*** (the “Identification Order Deadline”).<sup>2</sup>

**I. IDENTIFICATION OF ALL ELIGIBLE CLAIMANTS**

Each counsel shall take any and all steps necessary by the Identification Order Deadline to identify all Eligible Claimants for whom they are Primary Counsel, ***whether claims or potential claims with respect to those Eligible Claimants have been filed in suit, asserted on the Census***

---

<sup>1</sup> Terms not defined herein have the same meaning as in the MSA. The MSA is available on the website of the Settlement Administrator, MDLCentrality.com/CPAP, and will be publicly available at RespironicsPISettlement.com.

<sup>2</sup> As set forth in the MSA, Primary Counsel means (1) for any Eligible Claimant with a Personal Injury Claim in the MDL, or participating in the Census Registry, the lawyer or law firm listed as the registering Law Firm in MDL Centrality; (2) for any Eligible Claimant with a Personal Injury Claim filed in state court, counsel of record for the Eligible Claimant; or (3) for any Eligible Claimant with an unfiled Personal Injury Claim and who is not participating in the Census Registry, counsel with an engagement or retainer agreement with such Eligible Claimant. Counsel shall not be Primary Counsel for an Eligible Claimant if counsel’s representation of that Eligible Claimant terminated prior to the Identification Order Deadline.

***Registry, or otherwise.*** Each Primary Counsel shall also submit the information set forth below concerning all their Eligible Claimant clients by the Identification Order Deadline.

Similarly, *Pro Se* Eligible Claimants, whether claims or potential claims with respect to those *Pro Se* Eligible Claimants have been filed in suit, asserted on the Census Registry, or otherwise, shall submit the information set forth below concerning their own claim(s) by the Identification Order Deadline.

***Complete, accurate, and timely submission of this information is a requirement not only of this Order but also to participate in the Settlement Program described in the MSA.***

## **II. SERVICE OF IDENTIFICATION ORDER DECLARATIONS IDENTIFYING ALL ELIGIBLE CLAIMANTS**

All counsel must submit an Identification Order Declaration *via* MDL Centrality, executed under penalty of perjury, that identifies all of that counsel's Eligible Claimants for whom they are Primary Counsel and affirms under penalty of perjury that the Identification Order Declaration includes all of the Primary Counsel's Eligible Claimant clients. The Identification Order Declarations shall be in substantially the form set forth in Exhibit "A" attached hereto and shall include in Excel format, for each Eligible Claimant, the following information:

- the name of the Eligible Claimant;
- the Eligible Claimant's complete social security number;
- the address of the Eligible Claimant;
- the Eligible Claimant's email address, if any;
- the Eligible Claimant's date of birth;
- the Eligible Claimant's Qualifying Injury;
- the docket number, if a case has been filed for the Eligible Claimant; and

- the MDL Centrality Plaintiff ID number (if the Eligible Claimant has ever registered via MDL Centrality).

Through the Identification Order Declarations, all Primary Counsel shall certify, under penalty of perjury, that they have identified all Eligible Claimants for whom they serve as Primary Counsel. That identification obligation applies (i) regardless of whether the Eligible Claimant intends to participate in the Settlement Program set forth in the MSA, and (ii) regardless of whether the Eligible Claimant's claims or potential claims have been filed in suit, asserted on the Census Registry, or otherwise.

**All Primary Counsel shall identify all Eligible Claimants they represent.** Only Eligible Claimants must be identified, and Primary Counsel shall not identify Ineligible Claimants (*i.e.*, claimants alleging only Nonqualifying Injuries).

*Pro Se* Eligible Claimants must submit an Identification Order Declaration, executed under penalty of perjury, with the same information set forth above concerning their own claims or potential claims. For all *Pro Se* Eligible Claimants, the Identification Order Declarations shall be in substantially the form set forth in Exhibit "B" attached hereto.

Technical Support is available from MDL Centrality by phone at (888) 361-0741 or by email at MDLCentrality@browngreer.com.

Counsel and *Pro Se* Eligible Claimants have an ongoing duty to update all of the information required by this Order including, for example, when the personal information for an Eligible Claimant is incorrect or outdated. Any updated information must be served within fourteen (14) days of learning of such updated information, and shall be served through MDL Centrality.

All Identification Order Declarations are hereby designated as "Confidential" under the Amended Stipulated Protective Order entered in this matter (ECF No. 765). There is no need or

requirement for the Identification Order Declarations to be separately marked as “Confidential” in order for them to receive Confidential treatment under the Amended Stipulated Protective Order.

### **III. DEADLINE AND COMPLIANCE**

Each Identification Order Declaration required under this Order shall be submitted via MDL Centrality no later than the Identification Order Deadline. The timely submission of complete and accurate Identification Order Declarations is critical to the effective administration of the Settlement Program and to the Court’s management of its docket. Failure by Primary Counsel or *Pro Se* Eligible Claimants to comply with the terms of this Order will be a violation and shall be subject to sanctions, including sanctions of Primary Counsel.

In the event any Primary Counsel or *Pro Se* Eligible Claimant fails to fully comply with the requirements of this Order, Counsel for Defendants shall notify the Court of the alleged violations, and the Court shall enter an Order to Show Cause why the Primary Counsel or *Pro Se* Eligible Claimant should not be sanctioned. Said Primary Counsel or *Pro Se* Eligible Claimant shall have 21 days to respond to the Order to Show Cause. If the Primary Counsel or *Pro Se* Eligible Claimant fails to cure the violations or show good cause why they should not be sanctioned within 21 days of the entry of the Order to Show Cause, the Court may impose appropriate sanctions or other penalties on the Primary Counsel or *Pro Se* Eligible Claimant.

MDL No. 3014

*All Litigating Plaintiff Cases*

**[PROPOSED] CASE MANAGEMENT ORDER NO. \_\_\_\_ :**  
**DOCKET MANAGEMENT ORDER FOR CLAIMS OF LITIGATING PLAINTIFFS**

This Case Management Order (the “Order”) applies to all Litigating Plaintiffs, who are defined as individuals asserting Personal Injury Claims against one or more of the Philips Defendants who do not register for the Settlement Program by the Registration Deadline set forth in the May 9, 2024 Personal Injury Master Settlement Agreement (“MSA”).<sup>1</sup> An individual who has asserted such claims on or prior to the Registration Deadline becomes a Litigating Plaintiff as of the Registration Deadline. An individual who first asserts such claims after the Registration Deadline becomes a Litigating Plaintiff as of the date of the filing of such claims.

Consistent with the Court’s inherent authority to manage these proceedings, and in light of the Settlement Program agreed to after years of litigation and complex and extensive discovery and motion practice before this Court and the Special Masters, the Court finds it appropriate at this time to exercise its discretion to enter this Order to fairly, effectively and efficiently manage the

cases of any Litigating Plaintiffs. This Order requires all Litigating Plaintiffs to produce certain specified information regarding their claim(s), including medical records and evidence relating to device usage, their alleged injury(ies), and causation, and provides deadlines to meet those requirements prior to further proceedings, including any further discovery, motion practice, or trial on the merits. Litigating Plaintiffs shall be bound by the requirements of this Order and shall fully comply with all obligations required by this Order. The Court expects complete and full compliance with this Order and reserves its ability to dismiss a Litigating Plaintiff's case with prejudice for failure to adhere to the terms of this Order.

## **I. BACKGROUND AND STATUS OF PROCEEDINGS**

1. On June 14, 2021, Philips RS North America LLC voluntarily recalled certain prescription medical devices, including certain Continuous Positive Airway Pressure ("CPAP"), Bi-Level Positive Airway Pressure ("BiPAP"), and mechanical ventilator devices (the "Recall" and the "Recalled Devices").

2. On October 8, 2021, the United States Judicial Panel on Multidistrict Litigation ("JPML") established MDL 3014 to centralize cases concerning the Recalled Devices. More than 800 cases have been filed in or removed to this MDL to date, and more than 58,000 potential claimants entered the Census Registry.

3. District courts have inherent authority to manage their dockets. This is especially true in large litigations, such as this MDL.<sup>2</sup> A district court's power extends to, for example,

Litig.*, 718 F.3d 236, 246 (3d Cir. 2013) ("[D]istrict judges must have authority to manage their dockets, especially during [a] massive litigation.") (quoting *In re Fannie Mae Sec. Litig.*, 552 F.3d 814, 823 (D.C. Cir. 2009)); see also *Ramirez v. R. Civ. P. 16(c)(2)(F), (L) & (P).

4. This Court is granted wide discretion with regard to case management,<sup>3</sup> and has the authority to streamline litigation in complex cases through rigorous Case Management Orders, particularly in mass tort cases.<sup>4</sup>

---

<sup>3</sup> As the U.S. Court of Appeals for the Third Circuit has recognized, “multidistrict litigation ‘presents a special situation, in which the district judge must be given wide latitude with regard to case management in order to effectively achieve the goals set forth by the legislation that created the [JPML].’ This wide latitude applies, in particular, to issuing discovery orders, and to dismissing actions for non-compliance with such orders.” *In re Avandia Mktg., Sales Pracs. & Prods. Litig.*, 460 F.3d 1217, 1232 (9th Cir. 2006) (stating that “[c]ase management orders are the engine that drives disposition on the merits,” and finding no abuse of discretion in MDL court’s dismissal of claims for failure to comply with discovery and product identification case management orders); *United States v. Graf*, 610 F.3d 1148, 1169 (9th Cir. 2010) (citing *United States v. W.R. 5. The broad discretion afforded to the Court enables it to enter case management orders after substantial discovery has taken place in a mature mass tort or multidistrict litigation where, as here, a defendant has taken steps to settle a significant portion of the claims pending against it.<sup>5</sup> Many MDL courts have exercised their discretion and inherent authority to enter orders establishing discovery and other requirements for future cases filed against settling defendants in mass tort litigation.<sup>6</sup>

6. In the nearly three years since this MDL was formed, the parties and the Court have expended extraordinary resources to manage these matters effectively and expeditiously. Among other things: The parties and the Court have participated in a Science Day. The Parties have briefed various motions to dismiss, including motions to dismiss amended master complaints, and

In the federal courts, such orders are issued under the wide discretion afforded district judges over the management of discovery under Fed. R. Civ. P. 16.").

<sup>5</sup> See *Avila v. Willits Env't Remediation Tr.*, 633 F.3d 828, 833 (9th Cir. 2011) (noting such orders are authorized by district judge's "broad discretion to manage discovery and to control the course of litigation under Federal Rule of Civil Procedure 16").

<sup>6</sup> See, e.g., *In re Am. Med. Sys., Inc. Pelvic Repair Sys. Prods. Liab. Litig.*, MDL No. 2325, Pretrial Order # 239, ECF No. 4272 (S.D.W. Va. June 7, 2017) (establishing requirements for future claims against a defendant due to "recent settlement developments" of thousands of claims after more than three years of litigation); *In re Testosterone Replacement Therapy Prods. Liab. Litig.*, MDL No. 2545, Case Management Order No. 126, ECF No. 2716 at 1-2 (N.D. Ill. June 11, 2018) (finding it appropriate to enter an order to manage remaining litigation in light of the parties' settlement agreements entered after years of litigation); *In re Zostavax (Zoster Vaccine Live) Prods. Liab. Litig.*, No. CV 18-MD-2848, 2022 WL 952179, at \*2-3 (E.D. Pa. Mar. 30, 2022) (quoting 28 U.S.C. § 1407(a)) ("A *Lone Pine* management order is the only viable way that 'will promote the just and efficient conduct of [these] actions.'"); *In re Proton-Pump Inhibitor Prods. Liab. Litig. (No. II)*, MDL 2789, Case Management Order No. 109, ECF 955 (D.N.J. Oct. 2, 2023) (recognizing the utility of docket control orders "when a defendant has taken steps to settle a significant portion of the claims pending against it") (collecting cases).

this Court (with the assistance of a Special Master) has determined various aspects of those motions, in whole or in part. The parties successfully settled the economic loss claims on a class-wide basis. The Census Registry has been active since September 2022, and more than 57,000 potential claimants have registered. This Court has provided notice of the Census Registry on the Court's website since September 2022. The Personal Injury Plaintiffs have been participating in the Short Form Complaint and Plaintiff Fact Sheet process since October 2022, submitting over 170,000 documents to MDL Centrality. The Philips Defendants have submitted nearly 600 Defendant Fact Sheets. The parties have taken more than 50 depositions, including of third parties, and exchanged millions of documents on all relevant issues, including extensive testing relating to general causation, both prior to and after the Recall. The Special Master has resolved many discovery disputes among the parties. The Court has heard argument on privilege issues, jurisdictional issues, and numerous rounds of dispositive motions, and the parties have participated in numerous conferences with the Court and the Special Masters. In short, proceedings in this MDL are very mature.

7. Recognizing that continued litigation in pursuit of remaining claims will require enormous strain on the parties and the judiciary, and without admission of fault or liability, the parties entered into the MSA, which creates a program to resolve those Personal Injury Claims for which Plaintiffs' Negotiating Counsel believe there is any expert and/or scientific support (*i.e.*, claims asserting Qualifying Injuries).

8. For these and other reasons, the Court orders as follows:

## **II. STAY OF PROCEEDINGS PENDING SETTLEMENT REGISTRATION PROCESS**

9. So as to afford plaintiffs the opportunity to consider the Settlement Program, and to ensure the orderly and effective administration of the Settlement Program, all deadlines for the

Personal Injury and Medical Monitoring Tracks set in this Court's Order of April 16, 2024 (ECF No. 2727) are hereby vacated. Further, absent agreement of the Philips Defendants and Plaintiffs' Negotiating Counsel, all Personal Injury Claims against one or more of the Philips Defendants are hereby stayed through and including the Registration Deadline.

Should any Litigating Plaintiff fail to fully comply with the obligations of this Order, such Litigating Plaintiff's case is subject to dismissal with prejudice.

21. In the event any Litigating Plaintiff fails to fully comply with the requirements of this Order, Counsel for Defendants shall notify the Court of the alleged deficiencies, and the Court shall enter an Order to Show Cause why the Litigating Plaintiff's case should not be dismissed with prejudice. Counsel for Litigating Plaintiffs (or, if unrepresented, the *pro se* Litigating Plaintiffs) shall have 21 days to respond to said Order to Show Cause. 23. Based upon the outcome of these motions, if appropriate, the Court will set Case Management Conferences to determine whether any non-duplicative discovery, including

additional expert disclosures, is necessary and to discuss other case management issues. The filing and briefing of summary judgment motions and Rule 702 motions (which the Court will schedule) shall not prejudice or otherwise foreclose the opportunity for any party to file later, non-duplicative summary judgment and Rule 702 motions after completing any additional discovery. Any party seeking to file non-duplicative dispositive motions, including motions related to personal jurisdiction, must first file a motion requesting a Case Management Conference. The Court will set deadlines for filing such motions.

24. Upon the expiration of the Registration Deadline, counsel for the Philips Defendants shall notify the Court that the deadline for registration in the Settlement Program has expired and shall request a conference with the Court within 60 days thereafter.
